“Delayed Diagnosis of Idiopathic Spinal Cord Herniation: A Case Report”. Wilson J., Feng A.J., Chay, W. Association of Academic Physiatrists Annual Meeting. February 16-20, 2016. Sacramento, California.

“Alternative Treatments of Parkinson’s Disease”. Feng A.J., Cruz, E. Moss Rehabilitation/ Temple University Hospital, Department of PM&R grand rounds. June 2015. MossRehab, Elkins Park, Pennsylvania.

---

## Research Experiences

---

### Temple University Hospital | 2015-2016

- Analysis of quality improvement projects to fulfil ACGME core competency of practice-based learning and improvement

### Moss Rehab | 2015

- Starting and obtaining funding for a yoga class for patients with multiple sclerosis patient. To quantify the effect of yoga for multiple sclerosis on multiple calibres.

### UNIVERSITY OF ALABAMA IN BIRMINHAM | 2011-2012

- Development of novel mice model of cervical hemi-contusion for spinal cord injury

### UNIVERSITY OF ALABAMA IN BIRMINHAM | 2009

- Clinical analysis of patients with rare congenital absence of common carotid artery-possible cause of tonic clonic seizures  
clinical analysis of patient with Bow Hunters Syndrome.

### DUKE UNIVERSITY | 2006-2008

- Pharmacodynamics and delivery mechanism analysis of doxorubicin in B16F10 cancer cells.

### DUKE MEDICAL CENTER | 2005-2006

- Development of rapid, reliable and cost-effective method of quantitative real-time PCR to detect Candida DNA in in population.
